  - 8.1.1 Connor
- 8.2 Aquatics / Maintenance / Fitness / Adult Programs
  - 8.2.1 Cody

9.0 Adjournment

Next scheduled board meeting Tuesday, September 22nd, 2026

July 2026 WRC Board Meeting Notes

July 28th, 2026

Wellington Recreation Commission

Call to Order / Roll Call – The meeting was called to order by WRC Board President, Hankie Holefelder, at 7:03 am with the following members and staff present Tami McCue, Betty Zeka, Erma Ratliff, John Brand, Connor Pilant and Cody White.

Minutes / Income and Expenditures – Tami moved to approve minutes and expenditures as presented, seconded by Betty, all said aye.

Items of Business – Work has begun on the drywall and insulation repairs at the activity center. The tile and carpet that were damaged from the water leak will be taken up and the floor will be prepped to have an epoxy finish put over it. That part will be completed after the new lights are installed throughout the facility. Marcine Goodrum has completed the mural painting that depicts the WRC and facilities that programs are operated out of. She spent a total of 80 hours working on this mural. Compensation for her time and work on the project was discussed. Tami suggested and moved that the WRC pay Marcine $1,000 for her work. Betty seconded the motion, all said aye.

The Wellington Family Aquatic Center is approaching the end of the season. Fitness classes and swimming lessons have seen increased participation this season. The facility is scheduled to close for the season on August 9th.

The 2026-2027 Budget Hearing will take place during the August board meeting, which will be held on Tuesday, August 25th at 7:00am.

All money has been raised for the new pickleball courts at the Keuneke Tennis court facility. Mid-American Courtworks reached out last week to see about starting on July 27th, but the timing was off, so we're still looking at September for the courts to be completed.

The outdoor maintenance pickup was recently stolen from Sellers Park. The truck was discovered abandoned a few days later and was a complete loss. An officer from the Wellington Police Department said the truck was swept away by flood waters and was found in a field on private property.

The Wellington Recreation foundation is holding a 50/50 raffle. The proceeds from the raffle will be used toward improvements to the activity center. The drawing will be held on Friday August 28th. A fundraising event is being planned for February 13th, to be held at the activity center. Details are not in place yet but hope to be released sometime in October.

The Security State Bank savings account has a total balance of $14,929.63 sitting in it. Cody suggested closing this account and moving the balance to the Impact Bank operating account. This money would pay for the new lights and installation at the activity center, Betty moved to close the SSB savings account and move the balance to Impact Bank. Erma seconded the motion, all said aye.

The WRC was a recipient of a SCCDAT/KDADS grant. The grant awarded the WRC a new ping pong table and seating for the teen center.

Program Review – Connor – The 2026 summer ball season and activities have come to an end. All seasons and camps went well. The major obstacle was rain, especially toward the end of June, but all games were able to be played. Volleyball and flag football signups are open. Registrations have started off slow, but it is anticipated they will pick up as we get closer to their respective deadlines.

-Cody – A sample of the flooring that will be installed at the activity center was passed around for the board to look at. The main floor color will be gray, the basketball lines will be red, the volleyball lines will be black, and the pickleball lines will be white. Work is supposed to start in September.

At 7:48 am Erma moved to adjourn the meeting, seconded by John, all said aye.

Respectfully submitted by Cody White
