

WELLINGTON COMMUNITY CHALLENGE NAME THAT TUNE RULES

- Teams will consist of 4-6 players.
- Each team will receive an answer sheet for the entire round to record your answers. The answer sheet will be turned in to the host and the end of the competition.
- There will be six total rounds with three songs in each round. Each round will have its own category.
- Each song clip will be 20-30 seconds and will be played no more than two times.
- You will receive one point for naming the song title and one point for naming the artist. Song titles and artist names must be exactly right.
 - Bonus points may be given for select categories.
- **NO CHEATING:** the use of cell phones or any other device to look up answers to questions is prohibited. If you are caught using a device to find answers or share answers with another team, you will be disqualified for that entire round and no points will be given.
